COMMENTS:

Under the California Vehicle Code, this bill would require an applicant for a California driver's license or identification card who does not have a social security number to provide a taxpayer identification number or other identifier. This bill would not affect the ability of Franchise Tax Board (FTB) to continue to access Department of Motor Vehicle (DMV) information to verify addresses of taxpayers and debtors.

This bill also would make various changes to the Vehicle Code.

The April 16, 2001, amendment would make more changes to the Vehicle Code that do not impact FTB. The department's analysis of the bill as introduced December 4, 2000, still applies.
